

## Country Roads (recorded by John Denver)

Almost heaven, West Virginia,  
Blue ridge mountain, Shenandoah river,  
Life is old there, older than the trees,  
Younger than the mountains, growing like a breeze

Refrain :   Country roads, take me home  
              To the place I belong,  
              West Virginia,  
              Mountain mamma, take me home  
              Country roads

All my memories, gather round her  
Miner's lady, stranger to blue water  
Dark and dusty, painted on the sky  
Misty taste of moonshine, teardrops in my eyes

Refrain               ( Country roads, take me home  
                      ( To the place I belong,  
                      ( West Virginia,  
                      ( Mountain mamma, take me home  
                      ( Country roads

I hear her voice in the morning hour she calls me  
Radio reminds me of my home far away  
And driving down the road I get a feeling  
That I should have been home yesterday; yesterday...

                      ( Country roads, take me home  
                      ( To the place I belong,
