The Organising Committee

WORDS OF PRESIDENTS

For many years, the French Canoe Federation gained a lot of competences in hosting international competitions of great quality. The history in Pau began in 2009 with the ICF Canoe Slalom World Cup at the new inaugurated whitewater stadium of Pau-Pyrénées. Then, it never ends to confirm the trust the international governing bodies of canoeing put in the Pau Organising Committee and in the French Canoe Federation.

It is with the same enthusiasm and the same passion that French Canoe Federation and Pau Béarn Pyrénées community of towns will work together in order to lead a new exciting project.

We hope to see you soon in Pau !
