

## **English Conversation – Advanced**

This advanced conversation group is designed for people who already have a very good command of English, are able to express their thoughts and opinions fluently and wish to maintain this fluency, as well as refresh/expand their vocabulary. Many of the current participants have worked in an English-speaking environment.

The content of the lessons will be based upon a wide variety of topics, including current affairs, which provoke exchange between the participants or further their general knowledge. English is the vehicle rather than the goal in itself. There is little formal grammar, although most sessions are concluded with a brief review of errors made during the discussions. Students are encouraged to make an individual presentation on a topic of their choice during the year.
